### Ergo-One System Utility Cart

Model	Overall Size			Caster Description	Caster Diameter	Case Weight Lbs. (Kg)	Case Cube			
	L	W	H				ft <sup>3</sup>	m <sup>3</sup>		
<b>6600</b>	28" (711)	16 1/2" 419	44 3/8" 1127)	All Swivel	4" (102)	22 (9.98)	9.7	(0.27)		

Ideal for light weight loads and continual transporting over even floor surfaces. Top shelf height from the floor is 34 1/8" (867), bottom shelf height 20" (508), well within the safe loading and unloading zone. Multiple colors of leg bumpers are available for color coding and coordinating. Standard color is blue. All stainless steel construction and electronically welded for added strength. Easy to clean and sanitize, simply wipe down or steam clean.

*Lake-Glide Casters: 4" (102) - All swivel. Top shelf height 34 1/8" (867). Optional accessories: handle grips and bumpers in colors, caster options. Measurements in ( ) denote metric millimeters, except for Case Cube, unless otherwise specified. Product can be shipped UPS.*

#### Shipping Lead Time

Units	Days
1 - 5	3
6 - 20	4

For factory installed options listed in the Lakeside Catalog/Price List, add 5 working days to the shipping lead time shown above. For all other special options or for quantities greater than shown, consult the factory (800-558-8565) for product shipping lead time.
